

Celebrate Bruce Trail Day and take the Bruce Trail Pledge!

Help us preserve a ribbon of wilderness for everyone to enjoy, forever.

On Oct. 4 we kicked off our annual Bruce Trail Day event to celebrate and take action to preserve the Bruce Trail and the Niagara Escarpment. This month the Toronto Bruce Trail Club and the Bruce Trail Conservancy encourage you to take our #BruceTrailPledge. We invite you to take the Pledge and commit to taking one or more of these simple yet powerful actions this October:

- **Leave the Trail better than you found it.** Practice leave no trace principles. Commit to safely picking up litter on your hike.
- **Share your plant & wildlife sightings.** Collect important biodiversity data as you hike, and learn more about Niagara Escarpment species as a citizen science volunteer.
- **Be an ambassador.** Share your love of the Bruce Trail and encourage others to support the Bruce Trail Conservancy.
- **Support conservation with a gift.** Make a donation to the Bruce Trail Conservancy and support the preservation and stewardship of Niagara Escarpment land.

For more details and to take the pledge, visit brucetrail.org/pages/bruce-trail-pledge
